

Partnership on Transparency in the Paris Agreement

Workshop of the Asia-Pacific Regional Group 2018

Jaemin Kim, Republic of Korea

Hanna Reuter, GIZ

The History

- The **Partnership on Transparency in the Paris Agreement** (formerly: International Partnership on Mitigation & MRV) was **launched in May 2010** at the Petersberg Climate Dialogue by **South Africa, Republic of Korea and Germany**

The Goal

- The Partnership aims at promoting ambitious climate action through practical exchange on **enhanced transparency** and, by this, contributing to achieving the global temperature goal
- The Partnership seeks to
 - foster **transparency, communication, networking** and **trust** between countries;
 - provide **capacity building** and promote a **mutual learning** process within regions and among practitioners on a global scale
 - identify and disseminate **good practices examples** and **lessons learnt**

Milestones of the Partnership
