

# OVERVIEW OF THE NDC PARTNERSHIP

24 April 2019

# WHO WE ARE

We are a global coalition of countries and institutions collaborating to drive transformational climate action while enhancing sustainable development

# MEMBERS

## 93 Countries

# MEMBERS

## 21 International Institutions

# MEMBERS

## 10 Associate Members

# OBJECTIVES

## Facilitate improved learning, collaboration, and coordination to:

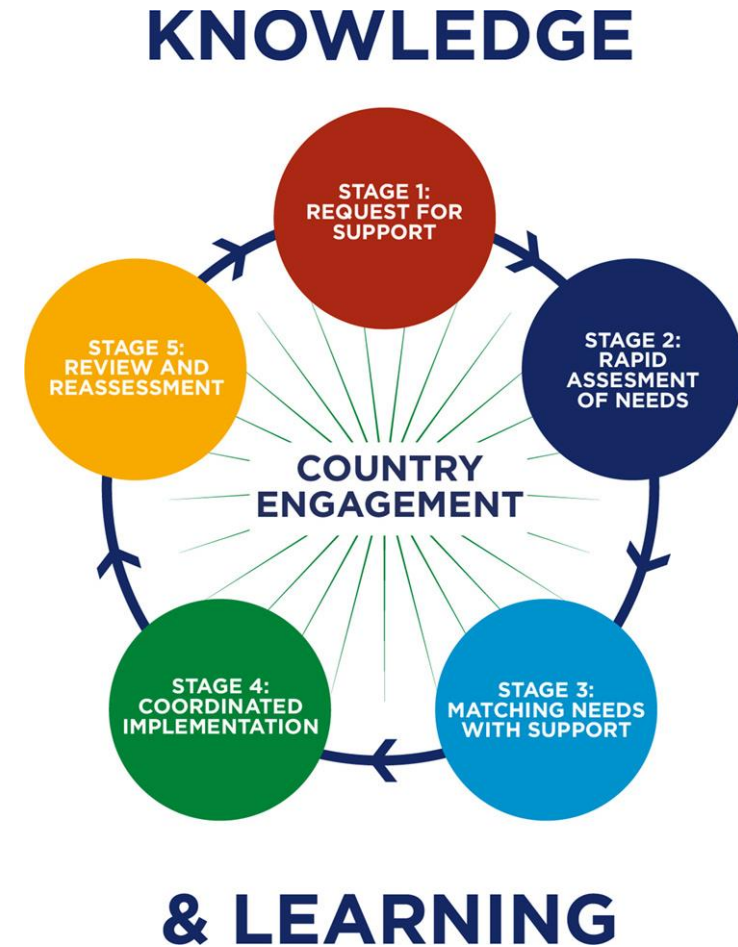

- Enhance visibility of and access to existing NDC support programs
- Generate better designed, more responsive NDC support programs
- Create better alignment between climate and development agendas
- Increase political momentum for Paris Agreement implementation
- Promote transformational climate policies

# COUNTRY ENGAGEMENT

The Country Engagement process is an adaptable five-step model to establish, operationalize, and track Partnership activities at the country level.

It provides a framework where member country needs are matched to the coordinated support of the Partnership's members and beyond.

# ACTIVE ENGAGEMENT
