WEBSITE

The screenshot shows the website's layout. At the top left is the logo and the text 'International Partnership on Mitigation and MRV'. To the right is a search bar and a navigation menu with links for 'Home', 'Contact', 'Login', and 'RSS'. Below this is a secondary navigation bar with links for 'About', 'Partners', 'Topics', 'News', 'Projects/Initiatives', 'Resources', 'Videos', and 'Links'. The main content area features a large background image of a rice field with a wooden structure. A blue overlay on the left contains the text 'LEDS' and a description: 'Low-Emission Development Strategies and Plans are a tool which enables states to formulate integrated, strategic responses to climate change mitigation and adaptation, while pursuing sustainable development goals'. On the right, a 'Research & Publication' dropdown menu is open, showing options for 'Guidance and Tools', 'Training Materials', and 'Project Documents'. Below the main image are three sections: 'New Projects' with a sub-link 'read about our latest projects', 'Founding Partners', and 'environmental affairs'. The 'New Projects' section includes a card for 'Supporting the Zero Emissions Strategy of Costa Rica' with a small image and a brief description. The 'Founding Partners' section lists the World Bank Institute, the Ministry of Foreign Affairs and Trade of the Republic of Korea, and the Federal Ministry for the Environment, Nature Conservation and Nuclear Safety.

Authentication successful

The International Partnership on Mitigation and MRV welcomes you to the exclusive login-area of its homepage!

- In this internal area, members of the Partnership can access **confidential information** which is not disclosed to the public. You can now view upcoming closed events of the International Partnership, and project-related events which are not open to the public. You can also retrieve exclusive material and presentations from past Partnership events.
- You are furthermore able to **propose events and projects** which will then be displayed on the website.
- A basic **messaging system** gives you the opportunity to contact or stay in touch with other members of the Partnership without making your e-mail address visible.
- Please feel free to use our **Pinboard** for discussions, questions regarding recent topics and also for sharing new documents, such as recent presentation papers, pictures or other relevant materials.
