Follow-up on this virtual workshop

- Outputs of the workshop
- Connect with and consult peers from other countries regarding their experiences
- Next steps at national level
- MS TEAMS as a virtual regional platform

How PATPA will support the network in future

- Climate Helpdesk
- Tools and documents
- Webinars (for example on a „BTR Roadmap Tool“)
- In-person workshop as a follow-up to this event

Many thanks to all participants, co-organizers and facilitators, and the founding members of the PATPA!
