Background

Partnership on Transparency in the Paris Agreement

*(formerly: International Partnership on Mitigation and
MRV)*

launched in May 2010

at the Petersberg Climate Dialogue

by **South Africa, Republic of Korea and Germany.**

The PATPA's Goal

The PATPA seeks to

- support successful negotiations on **transparency** by fostering **dialogue** and **trust** between countries.
- promote the implementation of the Enhanced Transparency Framework through providing demand-driven **capacity development** and enabling **mutual learning** in South-South-North exchange formats.
- identify and disseminate **good practices** and **lessons learnt**, incl. through the publication of knowledge products.

UNFCCC negotiations

Action in countries

PATPA Activities

Global

Regional

13 REQUESTS RECEIVED 7 COMPLETED REQUESTS 6 ONGOING REQUESTS

THE CLIMATE TRANSPARENCY HELPDESK IN ACTION

In-country

Knowledge Products

Partnership Meetings
Networking event and informal discussions alongside UNFCCC events
Annual Partnership Retreat
Space for negotiators and practitioners to discuss and exchange on current transparency negotiations and implementation

Peer-to-peer learning and capacity development activities through technical workshops in **5 regional and language groups** including Focal Point Meetings and cross-regional workshops

Climate Transparency Helpdesk supports on **NDC, LTS** and **Transparency** providing **no-cost, rapid, high quality** and **short-term** technical assistance for developing countries

Update of existing and publication of new knowledge products including launch events and webinars

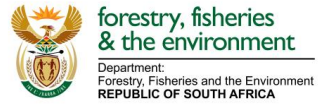

Level	Format	Thematic focus
Global	Annual Partnership Retreat 2022	Building momentum and continuous improvement towards the ETF and beyond; transparency negotiations at COP27 and/or digesting the MPGs
	Partnership Meetings alongside SBs & COP27 (7th - 18th November 2022)	Informal get-together with guided discussion topics
Regional	Continue with virtual exchanges and planning cross-regional workshops	BUR -> BTR / M&E of Adaptation / Implementation of ETF
	Focal point meetings	Foster regional exchange between PATPA Focal Points and learn about country gaps and needs
National	Climate Transparency Helpdesk	E.g.: GHG Inventories, Digitalisation, Waste, IPPU, ICA & BUR 4 ongoing missions and 3 in preparation phase
Knowledge Products	Update of existing and publication of new knowledge products including launch events and webinars	Projections of GHG Emissions and Removals; NDC Handover Checklist; BTR Roadmap & Guidance Tool; Good Practices in GHG Inventories for the Waste Sector; Biennial Update Report Template (Update); NDC Accounting Tool & Guide (Update) Planned: BTR Template, National Benefits of Reporting (Update)
