- VI. Identification of capacity building needs

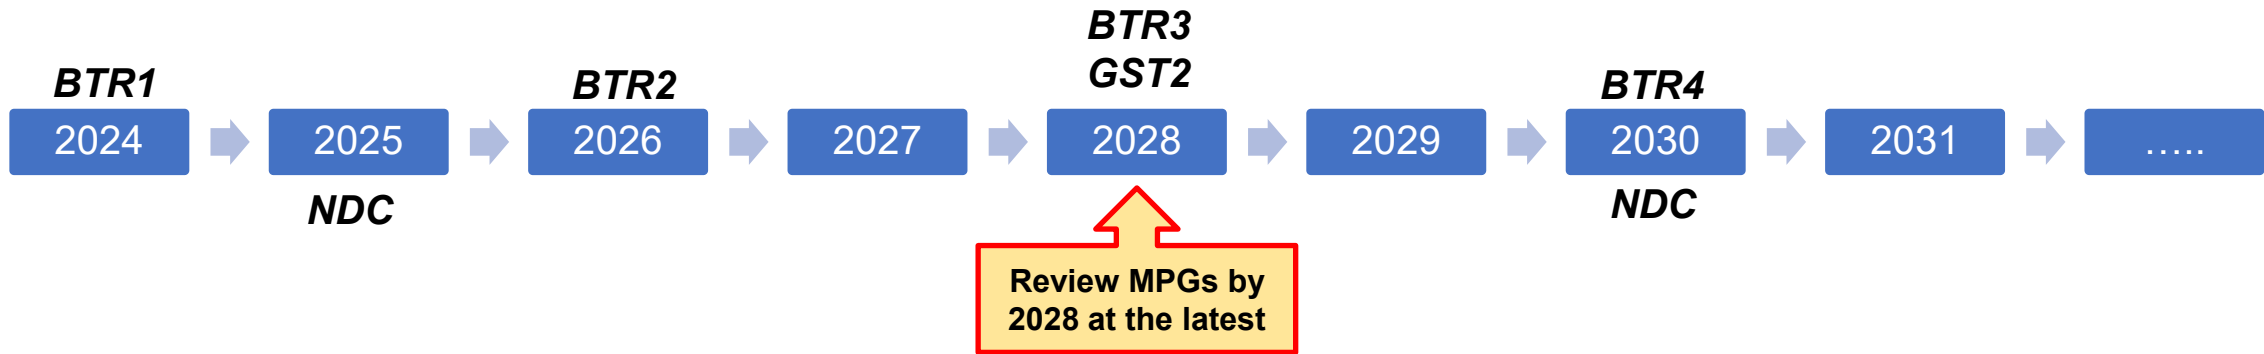

Consideration

Facilitative, multilateral consideration of progress

- Online Q&A
- In session presentation and Q&A (*all shall*)

- ✓ Modalities, procedures and guidelines (MPGs) for the ETF; [decision 18/CMA.1 and its annex](#)
- ✓ Common reporting tables and common tabular formats for reporting information under ETF; [decision 5/CMA.3, annexes I-III](#)
- ✓ Reviews on a voluntary basis of the adaptation information; [decision 9/CMA.4](#)

ETF timeline and status of implementation (March'26)

Number of BTRs submitted
130 BTRs,
of which 88 from developing countries (inc. 25 LDCs/SIDS)

Reviews conducted in 2025
50

Planned in 2026
32 – Q1
tbc - Q2,Q3,Q4

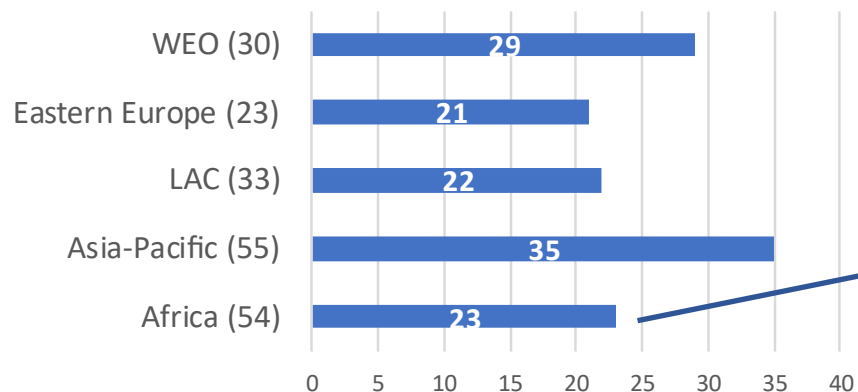

FMCP

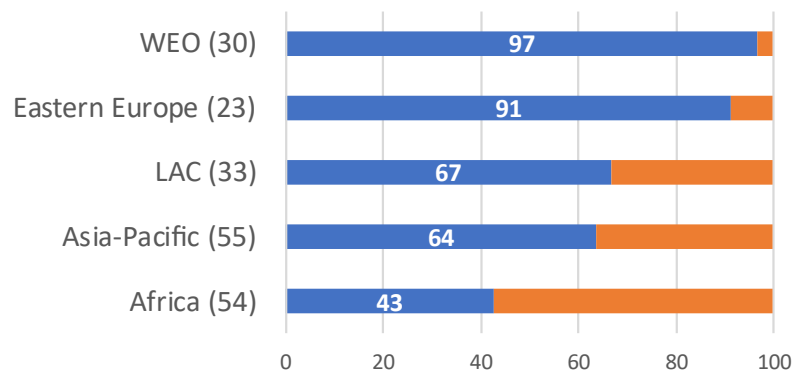

- #1 SBI 62 in Bonn** (Jun 2025, 3 Parties: Andorra, Panama, Guyana)
- #2 SBI 63 in Belem** (Nov 2025, 9 Parties: Côte d'Ivoire, EU, Finland, Kazakhstan, Netherlands, Slovakia, South Africa, Spain, Switzerland)
- #3 SBI 64 in Bonn** (Jun 2026, tbd)

BTRs (130)

**No of
BTRs per
region**

**Percentage
as per
region**

10 BTRs from Anglophone Africa:

Egypt, Eswatini, Ghana,
Kenya*, Malawi, Namibia,
Nigeria, **South Africa***,
Zimbabwe, Zambia

** Undergone TER*

Provision of financial and technical support for MRV

Acknowledged importance of available support

Underscored importance of adequate and timely support, maintaining continuity

Requested secretariat to provide further technical support

Provision of financial and technical support for ETF

Acknowledged progress and recognized persistent challenges

*Established a multi-year action plan to support implementation of ETF: **Belem list of activities***

Term, composition and TOR of the CGE

Decided its term will continue

Decided on new composition

*Adopted revised TOR
CGE will continue to serve the Convention and the Paris Agreement*

Guidance to the GEF

GEF and its IAs to continue providing financial support for BTRs and NCs

GEF to maintain the support for reporting and capacity-building, including CBIT

Belem list of activities

Objectives

1. Identify and Respond

2. Develop Solutions

3. Ensure Effectiveness

To address challenges, including on:

preparation of BTRs

establishment of institutional arrangements

projections of greenhouse gases

data management tools and project management tools for BTR preparation

stakeholder engagement

tracking support needed and received

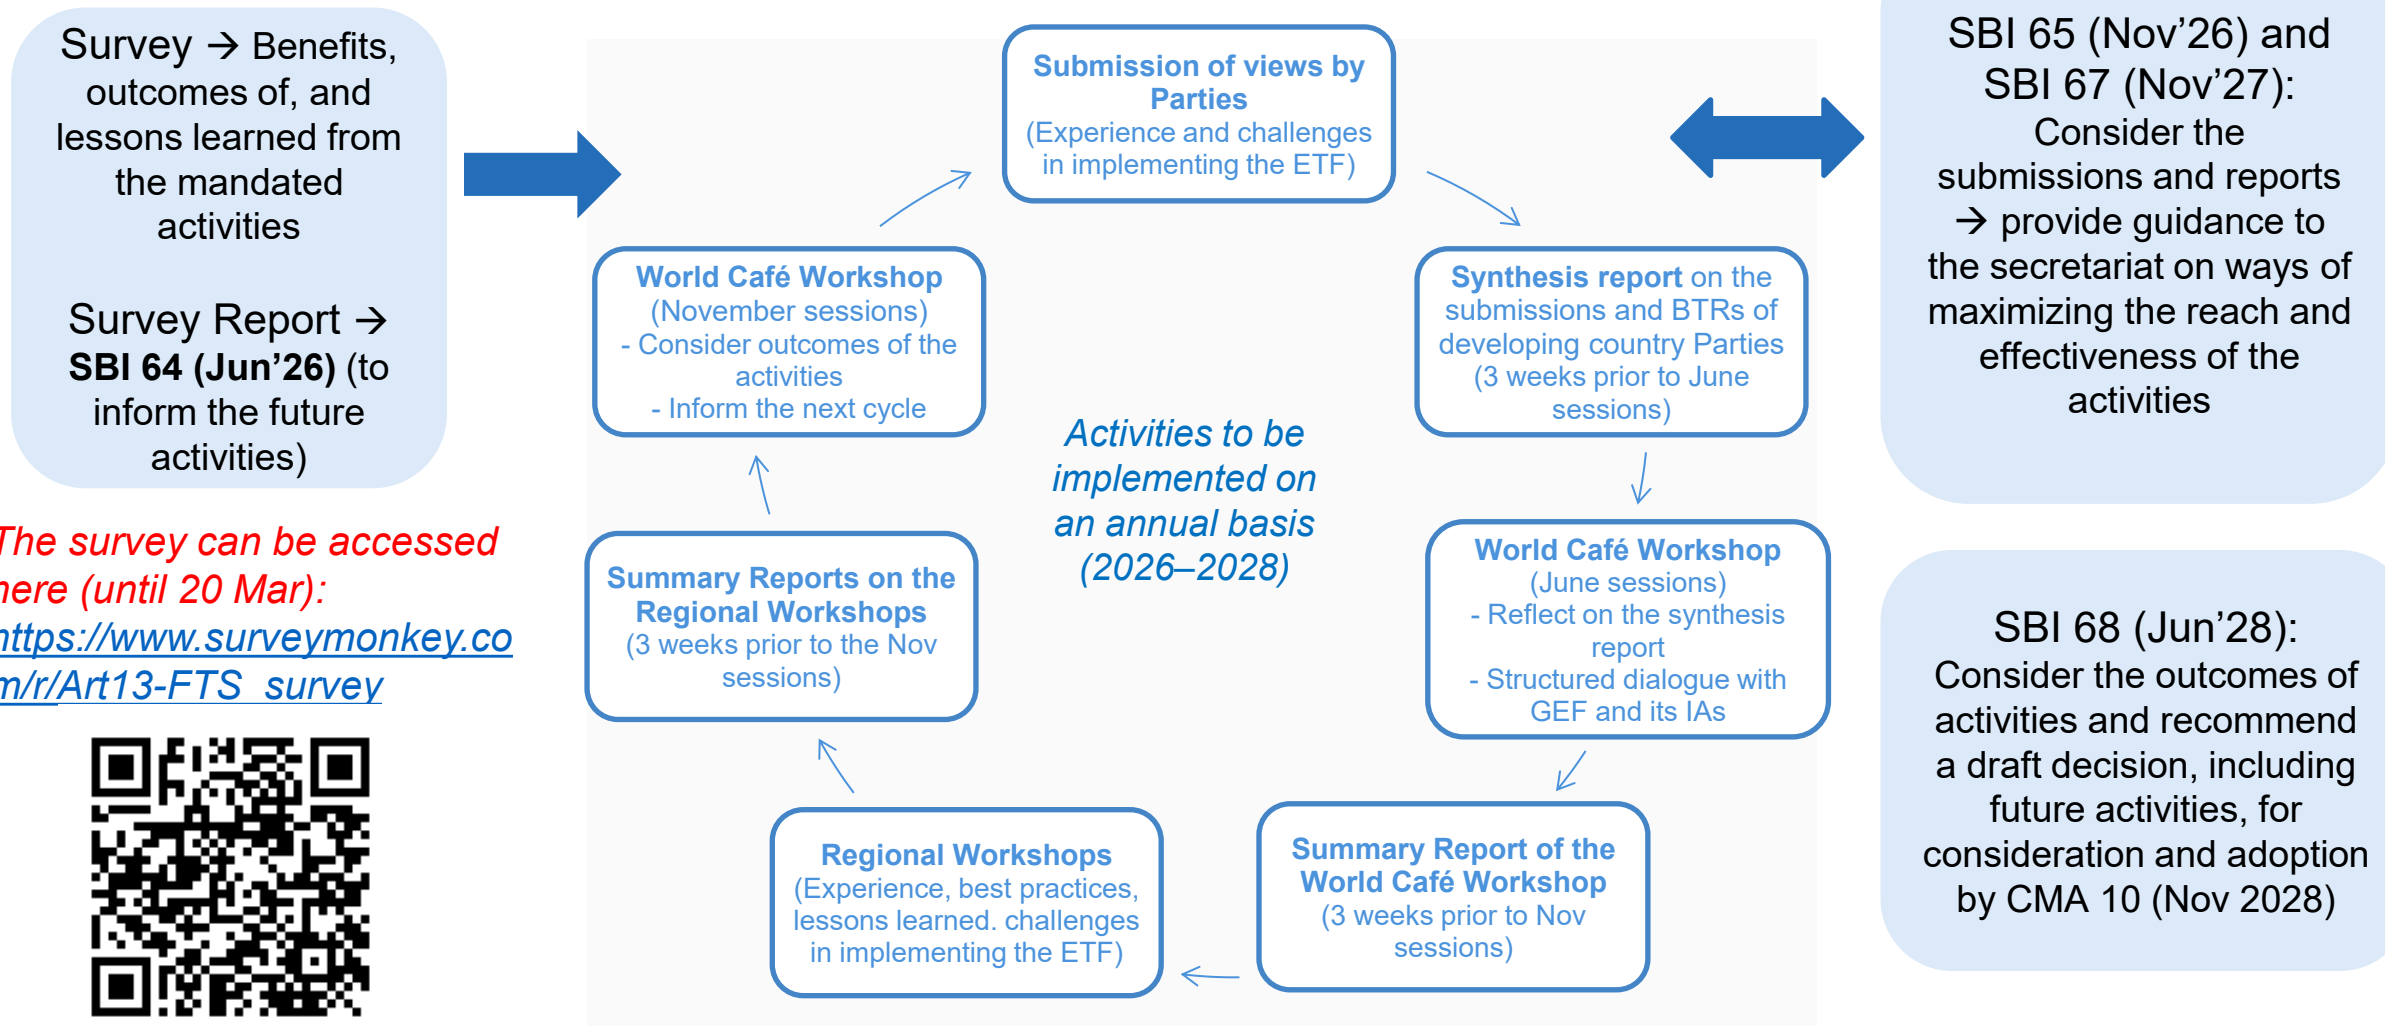

navigating the MPGs, including the flexibility provisions therein

managing human resources

Belem list of activities

The survey can be accessed here (until 20 Mar):

https://www.surveymonkey.com/r/Art13-FTS_survey

...in collaboration with the CGE and other constituted bodies and relevant partners, as appropriate...

Table discussion on guiding questions: 20 min

Report back to plenary: 15 min

Guiding questions:

1. What are/were the most complex/challenging steps in preparing BTR1?
2. Which processes or tools worked well in BTR1 preparation?
3. What lessons from BTR1 would you immediately apply to BTR2?
4. Which main challenges remain, hindering you from a possible submission?

Thank you.
